

General Grant Application Form

The Cecchetti Society Trust (the **Trust**) supports individuals and organisations who require a level of funding to enable an event, activity or project (together, **Activity/Activities**) to proceed, subject to certain criteria being fulfilled and subject to the terms and conditions outlined in the document **CST GGTC 2024** (the **Terms and Conditions**). Acceptance of an application for, and provision of, financial support, remains in the absolute discretion of the Trust. The Trust reserves the right to update the Terms and Conditions from time-to-time and require applicants to fulfil additional criteria, which will be stated in any offer letter from the Trust. Applicants will need to check the Terms and Conditions on each occasion that an application is made.

Grants are available to be paid on a one-off basis (this could cover a single Activity or a number of Activities covered under a block application), or an annual basis for up to 3 years, where a longer-term grant gives certainty to the relevant Activity/Activities. If the application is for a longer-term grant, a separate application form for each individual Activity must be submitted, if there is to be more than one Activity.

The Trust has a specified amount of funds it is able to grant. Each application is judged on its merits, in particular, whether the Activity aligns with the Trust's objective to encourage, support and promote participation in Cecchetti classical ballet and could be (by way of example only) for:

- A competition for young dancers from National/International Cecchetti Schools
- An extended Cecchetti Course for teachers and/or students
- A Cecchetti Lecture Demonstration with professional artists/Lecturers
- A Cecchetti training programme for young dancers
- The production of a training resource or recording of Cecchetti work

Grants range from individual, block or multi-year awards towards specific costs. The Trust may also fund shortfalls, but where the shortfall exceeds £20,000 for any one year, the Trust expects the applicant to source additional funding, which may include funds committed by the applicant, funds already received, as well as confirmed pledges.

Activities should not have started before a funding decision has been given.
